WWW.FASHIONCENTRALTV.COM

Fashion Central TV has grown international since joining forces with such clientele including: Xbox, Muzu, Samsung, Sony Playstation, Windows 8, Foxtel and Qello.

Fashion Central TV has spread from its home country, Australia, across the nation to countries with internationally acclaimed brand ties!

The above map shows participating nations with accumulating viewers, including: USA, UK, Ireland, Korea and more!

FOXTEL™

DJ Central is truly honoured to have the opportunity to sign with Foxtel and air our show on their program Aurora, channel 183.

Foxtel is one of Australia's most progressive and dynamic media companies, directly employing around 2,500 people, and delivering a diverse subscription television service to both regional and metropolitan areas over cable, satellite and broadband distribution.

As constant champions of innovation Foxtel have brought customers:

- The iQ personal video recorder
- Australia's largest HD channel offering, with 26 dedicated channels
- The first Australian 3D broadcast in 2010, and Foxtel 3D channel
- FOX FOOTY Channel – for AFL fans
- The LONDON 2012 Olympic Games over 8 dedicated HD channels, plus a tablet app
- Live and catch up TV on your tablet or other mobile device with Foxtel Go

In addition, the subscription television sector invests around \$600 million every year in new and original Australian content.

Since creating a new national subscription television service, through the merging of Foxtel and Austar in 2012, Foxtel directly employs around 2,500 people and a further 2,000 workers are indirectly engaged in sales and installation services nationally.

The Foxtel Television Centre at North Ryde in Sydney is the headquarters of Foxtel's national subscription television operations and houses Foxtel's television studios, broadcast operations and cable and satellite transmission facilities. Foxtel also operates two Customer Solutions Centres based at Moonee Ponds in Melbourne, and Robina on the Gold Coast.

Together Foxtel and DJ Central are working hard to bring our viewers the best in quality entertainment programming in all things club, house, and dance music.

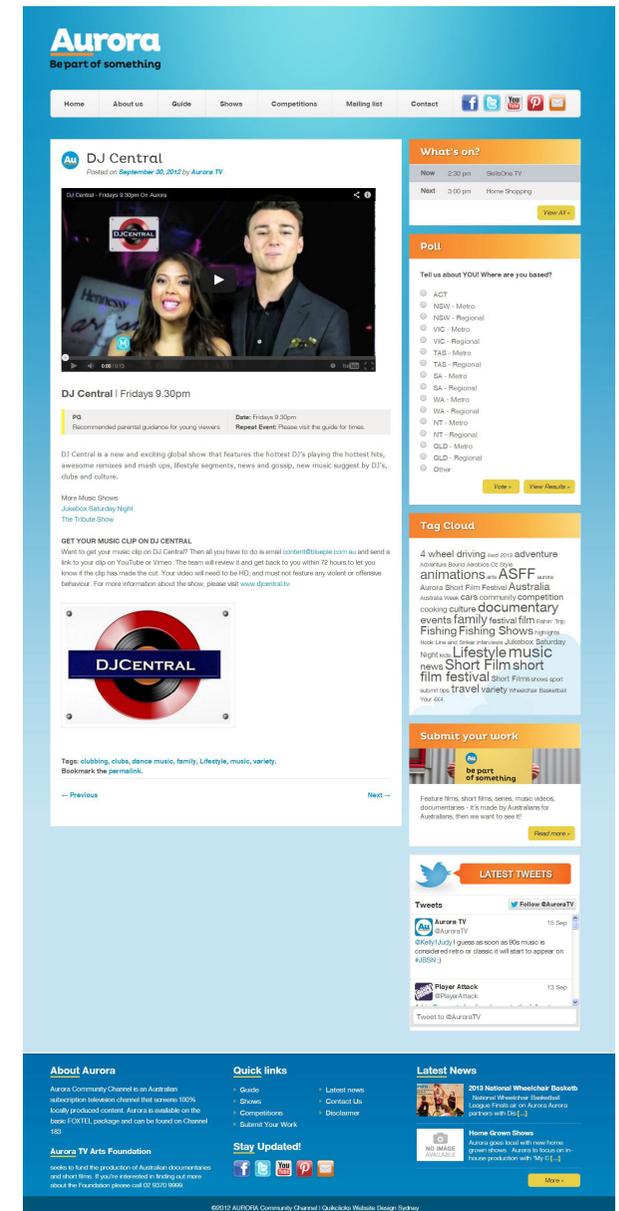

Aurora

Community Channel

Aurora is a not for profit, independent community channel, screened nationally on Channel 183 on FOXTEL.

Aurora showcases the work of independent and emerging Australian producers, and is committed to screening interesting, diverse and innovative content to encourage awareness and understanding of community issues and interests.

Aurora Community Channel is a partner of Australian Made and is proudly supported by FOXTEL. 2013 is expected to bring an even more rapid growth of ratings for DJ Central.

YouTube is one of the world's largest video streaming sites. It has made it possible for Fashion Central TV to bring its fans the best of the best in quality snippets of our music TV program.

Founded in February 2005, YouTube allows billions of people to discover, watch and share originally created videos. YouTube provides a forum for people to connect, inform and inspire others across the globe and acts as a distribution platform for original-content creators and advertisers, large and small.

With such an easily accessed source available, fans of every calibre can watch Fashion Central TV from anywhere in the world.

Qello®

Unlock the Experience

Fashion Central's partner DJ Central has officially joined with Qello! As one of the world's largest on-demand music entertainment service that streams the widest selection of the highest quality concert films and music documentaries to any digital device worldwide, syndication has never been easier.

For die-hard music fans, just like us, who can't get enough of the live music experience, Qello guarantees the experience never ends. With Qello, music enthusiasts can relive the concerts they loved, see the shows they always wanted to experience, and discover artists they might never have seen.

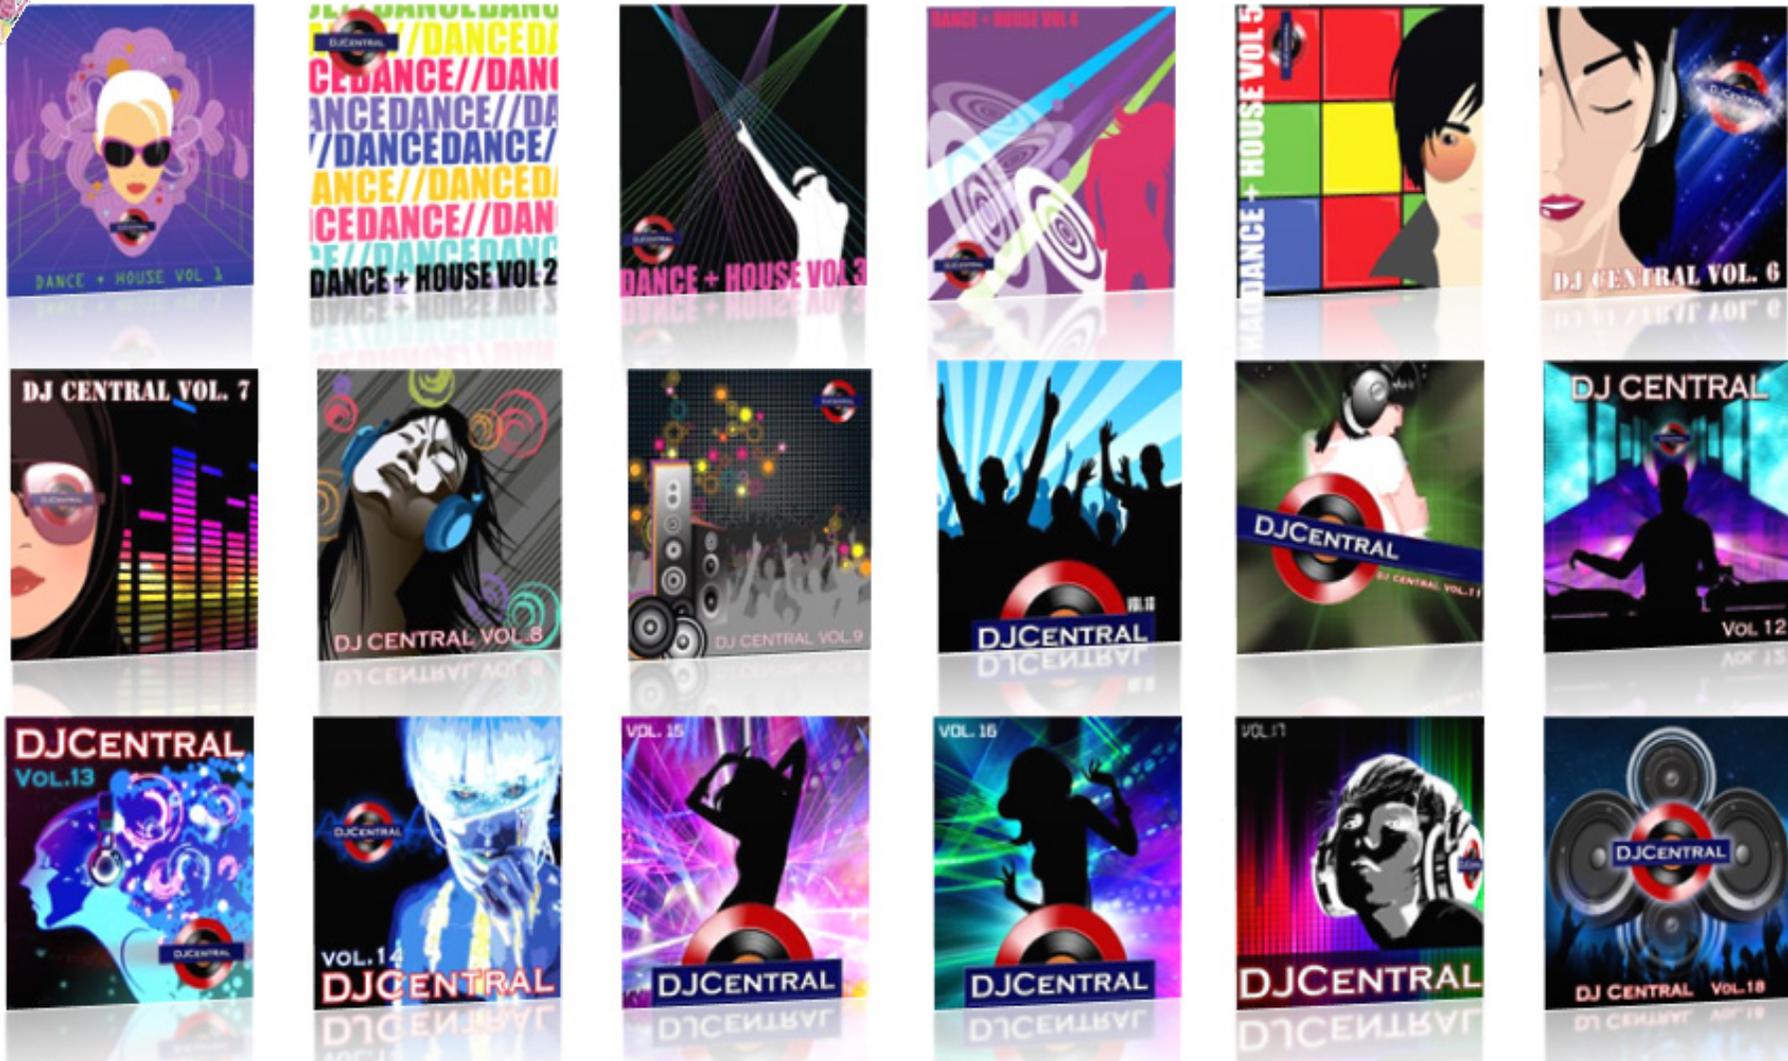

Boasting the world's largest library of HD concert films and music documentaries, the artists in Qello's collection have upwards of over 380 million Facebook fans that live by their favourite music. Never before have these artist's best quality performances been available to watch anywhere, anytime, in one sleek application - until Qello.

Think of Qello as the Indiana Jones of archival concerts:

Qello's deep library includes many rare, and digitally re-mastered classic concerts, from Ike and Tina, the Beatles, to Jimmy Hendrix, Elvis and Bob Marley - restored and resurrected for music lovers to experience forever.

Now you can relive the DJ Central greatness anywhere and everywhere; whether it's on the bus or in a dark corner at work. You cannot escape the powerful seduction of DJ Central and Qello just helped us become that much more accessible!

Fashion Central TV will work with you to create custom branded music and promotional collaterals to grow new customers and expose your brand to new eyes and ears. Working with DJ Central Records we create a music experience that can form part of your marketing and promotional strategy for your brand.
